Being environmentally responsible is simply the best way to do business, because it positively impacts the health of our planet, your company and your people. Everyday Remanufactured Toner by Xerox has the lowest carbon footprint than any single-use toner cartridge. Because you shouldn't have to choose between doing your part to reduce your eco-impact and your toner costs. And compatibility with the most popular printer brands means you can enjoy benchmark Xerox quality and stewardship no matter what kind of printer you have.
