### Targus AKM610UK keyboard Mouse included Universal RF Wireless QWERTY English Black:

Vital workstation accessories, this Wireless Keyboard and Mouse Combo delivers comfort, performance, and freedom from cord clutter. The full-size keys on the QWERTY keyboard provide a comfortable typing feel. Short between-key distance enables efficient typing and quiet keystrokes. The responsive mouse glides easily, with perfectly matched movements, thanks to a 1,600 DPI optical sensor. Navigate efficiently with the integrated smooth-rolling scroll wheel. The single USB receiver connects both peripherals, conserving USB ports and offering plug-and-play ease. The USB receiver stows conveniently when not in use and the included batteries get you going right out of the box.
