- Wall stand for MeetingBoard 75/86 Pro

Yealink MB-WALLSTAND-860 Stand White, Black:

The MB-WallStand-860W is a wall stand specially designed for the MeetingBoard 75/86 Pro. Featuring a reinforced stand structure, it distributes part of the device's weight to the floor, significantly reducing the load on the wall itself. This design makes it possible to safely install the MeetingBoard 75/86 Pro on wall types with limited load-bearing capacity, such as drywall, partition walls, and wooden walls, where traditional wall mounts may not be suitable. It offers a practical and secure mounting solution for a wider range of environments.
