Product code: 90XB0430-BKM340

Product name : W5000

2.4 GHz RF Wireless, 10m, USB receiver, Low profile Keyboard + Mouse: 800/1200/1600 DPI, Optical, Grey

ASUS W5000 keyboard Mouse included Office RF Wireless QWERTY UK English Grey:

ASUS W5000 is a wireless keyboard and mouse set designed to free you from being tethered to your PC or laptop. The low-profile keyboard measures an ultra-thin 11mm and features chiclet keys with durable, high-quality rubber dome switches for silent, responsive keystrokes.

A customizable Windows 10 hotkey on the top row of the keyboard provides access to numerous Windows functions easily.

The W5000 keyboard is energy-efficient, and operates on the 2.4GHz band for an effective range of 10m. The mouse automatically goes into energy-save mode when not in use. A small LED indicator embedded in the center of the mouse glows red so you know when it's time to change the battery. And when you're done, the USB dongle can be safely kept in a small rectangular slot on the underside of the mouse.
