Sliding Under Desk PC Holder

Lindy Sliding Under Desk PC Holder:

This Under Desk PC Holder allows you to easily attach a desktop computer to the underside of your desk or workbench to free up valuable work space. Ideal for business, educational and industrial use they also mean computers can be stored in a tidy, safe and secure manner instead of being simply left on the floor. Its sliding and swivelling mechanism means your PC can simply slide out from under the desk for easy access.

Please Note: Due to the type of fixings used to mount this bracket to a desk, it is advised that it is only installed on solid work surfaces. Please check the specifications / materials of the desk before installation.
