Clear, versatile display

Add a versatile DM-D30 Series display to your Epson M30 POS printer, or other POS device, to display easily readable customer-friendly purchase information at the till.

Simple to read and user-friendly

The DM-D30 display has a compact, high brightness LCD screen and easily readable two-line by 20-column format, and offers high-speed data transfer, flash memory and an extensive font table. The compact yet easily readable blue and white LCD display can be easily mounted on our M30 printer, providing customers with information at a glance

Flexible interface for easy integration

Easy connection and power via USB means straightforward integration. Meanwhile, full ESC/POS and OPOS compatibility and option to upgrade to wireless or USB extension cable mean the D30 can be positioned exactly where you need it.
